Sir or Madam:

Mr. Jeff Eder advised me that you left a non-substantive voice mail message for him yesterday. Please be advised that Mr. Eder is not authorized to discuss Asset Trust patent applications with the U.S.P.T.O. Asset Trust has completed several filings in an attempt to have his name removed as a contact from all pending patent applications. Unfortunately, these efforts have not been successful.

If you need to contact someone regarding an Asset Trust patent application, please send a fax to (425) 491-8311 or an email to ipcommittee@asset-trust.com. Thank you.

Dated: August 12, 2007

Respectfully submitted,

/B.J. Bennett/

B.J. Bennett, President Asset Trust, Inc.
